

Dear K'tanim and Chaverim Families,

What a fabulous week six we have had! Along with all of our exciting daily activities, this week included the annual Parent Breakfast and not one, but two fun bounce houses. The Parent Breakfast was such a success. Everyone enjoyed the food, art project and the opportunity to spend quality time in their child's bunk. Thank you all so much for coming and helping us make this morning a memorable one.

Wednesday K'tanim and Chaverim enjoyed two different types of bounce houses. All of the children had fun jumping and sliding and just having some good old fashioned fun!

Our busy week ended with a great performance at Show Time presented by Chaverim 2. Thank you Chaverim 2, you guys were great!

Looking ahead to week seven, the circus is coming to the JCC! Yes, that is correct. Circus camp is coming to the JCC and our very own campers will be performing for us next Friday as we celebrate "Best of Circus" week. There will also be an evening performance on Thursday at 7:00pm. Everyone is welcome. To purchase tickets, visit their website at [www.circusofthekids.com](http://www.circusofthekids.com). To start the week while we are waiting for the circus to arrive, the children will enjoy a sing-a-long with Susan Linder of "Singin With Susan".

Have a great weekend everyone.

Shabbat Shalom,

Elyse and Vivian

K'tanim and Chaverim Supervisors
