

Dear Kadima Families,

What a fantastic week we have had. Along with all of our fabulous daily activities, this week included the annual Parent Breakfast and Kadima's third field trip of the summer. What a successful parent breakfast it was! Everyone enjoyed the food, art project and the opportunity to spend some time in their child's bunk socializing with other parents and their children. Thank you all so much for coming and helping us make this a huge success.

Thursday we were off to Ballmania. The children enjoyed every aspect of the day. Along with the fun time each child had at Ballmania they all enjoyed a special treat of popcorn and cotton candy. The day was absolutely perfect. Fun was had by all.

Our busy week ended with Kadima 1 and 2 performing at Shabbat. We were so proud of them and they all did a great job. Three cheers for Kadima 1 and 2!

Looking ahead to week seven, the circus will be coming to the JCC. Some of our very own JCC campers will spend a week at circus camp and then perform a live circus show for all of us to enjoy at the end of the week. To start the week while we are waiting for the circus to arrive the children will enjoy a special performance by "Singin with Susan". Week seven should be fabulous!

Have a wonderful weekend.

Shabbat Shalom,

Elyse and Vivian

Kadima Supervisors
