

Rishonim

Week six was another great week at camp where the campers were able to go on three great field trips. The Friday's Build-A-Bear trip was a fun and filling way to start the week. Wednesday was a wonderfully sunny day at Sunny Isles Beach where the campers delighted in some waves, sun and sand on a wonderful day at the beach. Friday was the extra field trip day where the campers were able to take in a great movie to cap off another incredible week of Hobby Hours and activities at camp. Next week we have Circus of the Kids coming in to town to work with some of our campers and will be performing on August 5th and 6th in the JCC Gym. Hope to see everyone there, supporting our campers.

***Remember that on Monday August 2nd is the overnight trip to Rapids Water Park where we will be spending an awesome day of slipping and sliding and then sleeping over at the Boynton Beach JCC and returning home on August 3rd. Please remember to be at the ECD Building by 7:15 am.**

Dates to Remember

Monday August 2nd:

Overnight trip to Rapids Water Park

Wednesday August 4th:

Venetian Pool

Thursday and Friday August 5th & 6th:

Circus of the Kids
