

# Rishonim

Week eight was of course another great week of camp here at the JCC. We began the week with an awesome trip to Boomers in Boca Raton, where the campers played Arcade games, laser tag, mini Golf, rode go-karts, and claimed all kinds of prizes. On Tuesday we had a great day of Hobby Hours. Wednesday we had an awesome lunch at Fudrucker's followed by a great dance performance at the JCC by Habimah. Congratulations Habimah on a job well done, you have obviously worked very hard on a great show. Thursday was another fun day at the JCC going to all kinds of Hobby Hours. Friday was a party of a day at the JCC with bunk parties going on everywhere. It was also a bit of a sad day where we had to say goodbye to old and new friends we made this summer. We look forward to seeing everyone again next summer here at the JCC.
