

# Tikvah

---

It's hard to believe that week 6 of camp has flown by. Our fantastic and fun filled week began with a magic show where our campers got to showcase their talents and be a part of the act. Campers embarked on thrilling adventures marveling at the beauty, history, and fun that Deering Bay Estates has to offer. Catching Critters proved to be a fun and rewarding experience, as our campers caught and learned about their very own findings. Teens spent the day getting strikes and having a ball at bird bowl on Tuesday in addition to enjoying an exhilarating day at Gameworks followed by a nice lunch.

On Friday campers and staff had a chance to showcase their spirit by dressing up and representing their favorite sports teams. Seminoles, Gators, and Heat fans alike battled it out to prove which fans had the most spirit. The Tikvah Staff would like to thank you for sharing your children with us, we have created memories to last a lifetime and look forward to making the last two weeks of camp Simply the Best.

Sincerely,

Johana Sarmiento  
Special Needs Director
