

# Tikvah

Lions, and tigers, and bears, oh my! The circus has come to town and Campers got a chance to be a part of all the fun and excitement. This week began with a great show where campers got a chance to “Sing with Susan” our former and delighting music teacher. We learned some new songs and got to hear some old classics. Overall, we had all a great time.

As the week passed by, the teens got to visit our wonderful friend Chucky at Chucky E. Cheese and later finalized the week with a picnic at Matheson Hammocks. In addition, Tikvah 1 and 2 were scheduled to visit C.B. Smith Water Park. Unfortunately, the weather was not too kind but of course did not stop us from having a good time. Both groups were surprised with a party at Build a bear. Each camper promised to provide their bear with a loving and caring home as they created them at the workshop.

Overall, this week was filled with memorable experiences and great activities. Our Cooking, art, martial arts, PE, swimming and science specialists to name a few are always coming up with new and exciting projects for us to learn and have fun with. We hope to see all of you next week, as we sadly say goodbye to Camp Tikvah 2010.

Sincerely,
