

# Tsofim's Tabloid

Dear Parents,

Week 7 was yet another phenomenal week! This week brought us many new campers! Although we only have them for 2 weeks, we are very happy to welcome them! Tuesday took Tsofim to the movies to see *Monsters vs. Aliens* and to Build-A-Bear. The children had a blast stuffing their bears and watching a good movie. Thursday's field trip to Super Wheels was a great one!! The children had so much fun skating around with their friends and counselors. Friday was the closing to another successful and exciting week! We ended the week with an amazing circus show put on by some of our very own! As we brace for week 8, we are constantly thinking about the memories already made this summer!
