

Tsofim's Tabloid

Dear Parents,

Week 8 and Summer Camp 2010 have come to an end :o(What a wonderful summer we have shared! Campers have enjoyed a plethora of activities ranging from PE to Cooking to Fishing and Canoeing. Tsofim campers have visited such places as Boomers, the Island Queen Cruise, Super Wheels, Laser Quest, Grapeland Water Park, etc. This final week took campers to Dave & Busters and to Kendall Ice Arena. Campers also enjoyed their last Hobby Hours of the summer, as well as a fantastic Habimah Show and entertaining Hobby Hour show!

Summer is always a wonderful time! Out of school, at the JCC, we couldn't ask for a more amazing experience! As yet another summer has come and gone, campers can be sure that they will always have the memories they made with their camp family. Thank you for sharing your summer with us!! We hope that you have an incredible school year and We are counting the days until we meet again :o)

Thank you for a fantastic summer!

Jenny Douek
