Alper JCC  
MIAMI

# YOUR SUPPORT

For more than 30 years, Alper JCC Miami, affectionately known as the “J,” has been a true hub for the South Miami-Dade community. The J is so much more than a community center—it provides enrichment, education and recreation, all while working to inspire and bring together the local community. Support from corporate donors enables the J to continue to provide and broaden programs and services, maintain the extensive facilities that cover more than 23 acres, provide much-needed scholarships to our community members in need and help the J thrive.

Alper JCC Miami proudly impacts more than 5,000 unique monthly visitors through its wide array of programs and services. From the award-winning Early Childhood Development Center, which serves more than 165 students annually, to its robust Cultural Arts programming, including the always anticipated Alper JCC Miami Berrin Family Jewish Book Festival, and even its state-of-the-art Fitness Center, the J is constantly evolving and expanding to meet the needs of its members.

This is just a taste of all the J has to offer its members. Enriching the lives of so many, it is a place to learn and grow, meet lifelong friends and experience the joy this vibrant community has to offer. Above all, the J offers a sense of belonging and being a part of something greater. The Alper JCC Miami is truly committed to serving and engaging South Miami-Dade community members of all ages and various ability levels, and financial support from corporate donors helps make this possible. With your help, we can continue to meet and exceed the needs of our ever-changing South Miami-Dade community.
