

Fitness Specialists/Coaches

If you are a personal trainer who is energetic, take pride in what you do, love to interact with people, have a positive attitude, love the fitness lifestyle and working in a comfortable yet energetic environment then this position is for you.

Responsibilities:

Your responsibilities include, but are not limited to, the following:

- Presenting strong customer service
- Speaking to and greeting all members within speaking distance
- Assisting members in the gym with any questions and assistance with equipment
- Building your training business which includes outreaching, cold-calling, following up and setting members up with their initial sessions
- Having a keen sense in corrective technique for any members doing an exercise wrong or needing assistance on a machine
- Maintain a strong communication, whether verbal, written or telecommunicated, with fellow JCC employees when needed
- Carrying a positive attitude and encouraging a fun work-environment

Qualifications:

Current National Personal Training certification from an accredited organization.

Must have the following experience, education and skills:

- Current First Aid/CPR/AED certification
- Excellent customer service skills
- Reliability and availability a must
- Enthusiastic, friendly, energetic and personable
- Exceptional time-management and organizational skills
- Hardworking, honest and possession of personal integrity

Not a requirement, but helpful:

- Bilingual (English and Spanish)
- Additional training certifications and specialties

Please send inquiries with attached resume to jkalish@alperjcc.org. No phone calls or drop-ins, please.
